A dark sorcerer out for revenge.
And a mystical artifact that might
have all the answers—if it exists at all.**

Plagued by nightmares after his encounter with the evil Emperor Blackthorn and tormented by the revelations about his mother's death, Ty has become obsessed with his magical training. When he learns of a mystical object with the power to show him whether he really is the one destined to end the dark sorcerer's reign he is determined to track it down, no matter the cost.

But when his quest takes a shocking turn, will Ty still find the answers he needs, or will his relentless hunt for the truth only jeopardize both the worlds—and all of his friends?
